

# Pinnacle EZload™

## 650mm roll laminator

The Pinnacle EZload™ incorporates superior engineering to deliver the highest level of professional lamination quality, easy and intuitive operation and error free film loading. Combining GBC's patented EZload™ film loading simplicity and AccuTherm™ heating technology, the Pinnacle EZload™ outperforms all other laminators in its class.

Incorrectly loaded film is the number one reason for costly service calls. The patented EZload™ film loading method eliminates the possibility of loading film incorrectly—making the process foolproof. And, AccuTherm™ heating technology provides the most consistent lamination quality with the highest clarity, even on long runs.

A fully featured control panel completes the Pinnacle EZload™ by making operation of the laminator simple. Using film, school projects, banners, posters and more will be at the top of the class.

### Added features

- Foolproof and safe film loading with GBC's patented EZload™ technology
- Fast warm-up time of less than 10 minutes
- Runs Nap-Lam II film; up to 3mm thick
- Integrated temperature gauge and footage counter
- Built-in horizontal trimmer

Pinnacle EZload™ Film  
Color-coded end caps make film loading foolproof.

# Pinnacle EZload™ Film

Specially designed film has color-coded end caps which make film loading foolproof

## Specifications

Photo quality:	Yes
Warm-up time:	6-9 min.
Speed:	Up to 3.5m per minute
Temperature control:	Variable for Nap-Lam™ I or II film
Cold lamination:	No
Speed control:	Variable (10 settings)
Heating:	2 heat shoes, 2 heated rollers
Throat width:	650mm
Footage counter:	Yes
Film thickness:	Up to 3mm

Ready indicator:	Yes
Rollers:	2 heated, 2 pull
One touch key pad:	Yes
Reverse switch:	Yes
Auto shut-off:	Yes
Warranty:	1 year
Weight:	46kg
Dimensions (W x L x H):	900 x 533 x 355 (mm)
Power requirements:	240V - 50Hz 7amps
Safety:	Safety standard certified 

Specifications are subject to change without notification.

For best results use GBC® high quality laminating film.

## Laminating Film

## Order Code:

Gloss EZload roll film - 75micron	635mm x 76m	3748204EZ
Matte EZload roll film - 75micron	635mm x 76m	4400555EZ

## Applications

- > Posters
- > Banners
- > Charts
- > Presentations
- > Projects
- > Signs
- > Large photos
- > Crafts
