

Precise – Versatile – Robust

For bookbinders, printers, banks, insurance companies, local councils, industry, etc.

With STAGO stapling machines, functionality, precision and ease of use are paramount. Robust construction, state-of-the-art drives and low-wear materials ensure perfect operation for many years to come. All STAGO machines are certified for safety by the Technical Committee for print and paperconverting.

Further advantages:
Electrically monitored protection mechanisms with optical indicator and stop function, easy front loading of staples, magazine indicator.

H18

Manual stapling machine with one stapling head for flat stapling with normal staples. Stapling performance of 2 to 180 sheets (0.2-18 mm)

Specification

Model	H 18
No. of stapling heads	1
Distance adjustable	-
Flat stapling*	2-180 sheets 0.2-18 mm
Saddle stapling*	-
Paper sizes	Up to A3
Table for flat stapling	Yes
Table for saddle stapling	-
Flat stapling by clinch	-
Depth	150 mm
Staples	69/8-22, 70/6-22
Loop staples	-
Loads of magazine	150 pcs.
Staples boxed per	5000
Power supply	-
Drive output	-
Machine dimensions (h/w/d)	360/530/450mm
Weight	13 kg
Certified by	GS/CE
Options	stand version, sliding table, further models and special designs on request

* (stapling performance with 80 g/m2 paper) - Subject to technical alteration
